(1) The provisions of the Sections may be extended to Mysore Town at once.

(2) The next question is whether all the provisions of the Section or only some of them should be extended to the other towns and villages. The Deputy Commr of Mysore recommends the former course even as regards small villages. The Deputy Commr of Hassan has made an attempt at discrimination between comparatively big towns and small villages and the Deputy Commr of Tumkur seems to have made an equally discriminating recommendation. The Deputy Commr of Shimoga recommends the extension of certain provisions only to the town of Shimoga.

12 Taking the Dt Hd quarter towns, we may safely extend to these

13 Taking Adequate places and small villages do not require all the above. Restrictions against gambling, drunkenness, defilement of water places, throwing dirt into the streets and causing nuisances in or near streets (j ii) seem to be all that it is needed for these places.

14 The Municipal Regulation, the Local Boards Regulation as proposed to be amended and the Police Regulation (not to include the Village Sanitation Regulation) are, between themselves, sufficiently wide to enable Govt to restrict the liberty of individuals in a variety of ways and though the restrictions and needed for the good of the people, we must also guard against the

Copy of Letter NO: 726 from the Assistant Superintendent of Police French-Rocks Circle to the Deputy Commissioner Mysore District.

Sir,

I have the honor to bring to your kind notice that the Inspectors of this circle especially of French-Rocks, Mandya, Malavalli and Seringapatam complain of too much gambling in their Taluks and of their helplessness against the offenders since the provisions of sections 56 of the Mysore Police Regulation V of 1908 are not extended to those Taluks or to any others of this circle.

Two references were already made, one in this office NO: 632 dated 30th April 1909 and in NO: 452 dated 10th April 1910 through you requesting the Inspector General to move the Government for an extension of the said provisions to the whole of this circle . No orders have however been received till now.

I request that you will kindly move for an early [illegible] reference to obtain the necessary orders in the matter.

I have Ets.,

Sir,

I have the honor to invite kind reference to my letter NO: 5390 dated the 11th May 1909 addressed to the I. I therefore request that early orders may kindly be obtained from Government on my reference as I am being pressed by the Police Officers to move Government in this behalf with the conviction that the enforcement of the provisions of the section will tend to the public safety and convenience.
